Dear Sir/Madam,

I am very pleased to inform you that **GBfoods has completed the acquisition of Continental Foods**. This acquisition is one of the major strategic milestones in the history of our company. We strongly believe that, with Continental Foods, GBfoods has found the perfect fit to build a more robust and diversified platform in Europe, from both a portfolio and geographical point of view. GBfoods and Continental Foods share a very similar culture, operate in complementary markets, have a passion for local flavours with a long heritage, and have great and committed teams.

This operation is a step forward of our commitment to promote local culinary culture and flavours, adding to our current portfolio the Continental Foods' well-known local culinary brands such as Liebig, Royco, D&L, Erasco and Blå Band, among others.

We are deeply satisfied and excited for this step forward and we wanted to share this news with you as you are a key partner for us.

We will keep you informed of any relevant news that may be important to you. Meanwhile, please, do not hesitate to contact us in case you need any further information.

Thank you for being part of our growing GBfoods family.

Yours sincerely,

Felix Ribera
